ALL-COUNTY LETTER NO. 76-78

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: SHARING RATIOS FOR REPAYMENTS FOR FISCAL YEAR 1976/77

REFERENCE:

Our review of AFDC and AFDC-BHI expenditures for the calendar years 1971 through 1975 has been completed and we have determined that there will be no change in the repayment sharing ratios for the fiscal year 1976/77. The recoveries for AFDC and AFDC-BHI for the 1976-77 fiscal year will be shared on the ratio of 47 percent federal, 34 percent state and 19 percent county. Any recoveries reported for OAS, AB and ATD will be shared on the basis of the five year moving average prior to conversion: 48 percent federal, 37 percent state and 15 percent county.

This information is to be included in Section 25-570.2 of the Fiscal Handbook. However, because a complete revision of Chapter 500 is currently in process, we are sending this advance notice for your convenience.

If there are any questions, please contact Gen Whitfield or Vicki Smith at 916/445-7046.

Sincerely,

A handwritten signature in cursive script, appearing to read 'G. Adams'.
